SUMMARY

I am recently completed Bachelor of Computer Science at Rizvi College of Arts, Commerce & Science. I have hands-on experience in web development and a strong understanding of both front-end and back-end technologies.

EXPERIENCE

Intern at Prodigy Infotech

Jun 2024 - Present

- **Role:** Web Developer
- **Description:** Gaining practical experience in web development, working on various projects and contributing to the development of web applications.

SKILLS

Programing Languages: Java, Python.

Database: MongoDB

Frontend: HTML, CSS, JavaScript, Bootstrap, React.

Tools: Git and Github

Backend: NodeJs, Express

PROJECT WORK

1. RESPONSIVE E-COMMERCE WEBSITE WITH ADMIN PANEL

- Technology Used: MongoDB, React, ExpressJS, NodeJS (MERN).
- Description: The project is a **MERN** stack-based web app with an **admin dashboard** and **Card payment** gateway. The platform offers users a seamless shopping experience, enabling them to effortlessly browse, search, filter products securely while providing admins with tools to **manage categories and products inventory, orders, and customers**.

2. SYMPTOMS BASED DISEASES PREDICTION

- Technology Used: Python, Flask, HTML, CSS, JavaScript.
- Description: The project focuses on **predicting common diseases using symptoms as input**.

3. PERSONAL PORTFOLIO

- Technology Used: MongoDB, React, ExpressJS, NodeJS (MERN).
- Description: Developed a personal portfolio website to showcase projects and skills and my experience.

EDUCATION

BACHELOR OF SCIENCE IN COMPUTER SCIENCE.

2021-24

Rizvi College of Art, Science & Commerce | Mumbai University.

CGPA: 7.9
